A request that the above-identified application not be published under 35 U.S.C. 122(b) (nonpublication request) was included with the above-identified application on filing pursuant to 35 U.S.C. 122(b)(2)(B)(i). I hereby rescind the previous nonpublication request. The submission of the original nonpublication request under 122(b) was improper and was made in error since a PCT application was filed prior to the filing date of the present application which claimed priority to the parent application of the present application. The submission of the nonpublication request was an oversight and was unintentional and the delay in submitting this rescission was also unintentional.

If a notice of foreign or international filing is or will be required by 35 U.S.C. 122(b)(2)(B)(iii) and 37 CFR 1.213(c), I hereby provide such notice. This notice is being provided later than forty-five (45) days after the date of such foreign or international filing, however the relevant international filing date was prior to the filing date of the present application and therefore is not a "subsequently filed" international application as set forth in 35 U.S.C. 122(b)(iii). Accordingly, Applicants believe that the present application has not been abandoned.

If a notice of subsequent foreign or international filing required by 35 U.S.C. 122(b)(2)(B)(iii) and 37 CFR 1.213(c) was not filed within forty-five (45) days after the date of filing of the foreign or international application, the application is ABANDONED, and a petition to revive under 37 CFR 1.137(b) is required. See 37 CFR 1.137(f).
